

158278

Customers of Utilities Services of South Carolina wishing to protest the proposed rate increase must send three letters as described below and send them to the addresses provided. These letters must be received by September 21st. I plan to protest this rate increase on behalf of my constituents, but the more citizens we can get involved the better.

To Whom It May Concern:

I am writing in regard to the public hearing on Thursday, December 13, 2007 concerning docket number 2007-286-W/S. I request a hearing in Anderson County, South Carolina as numerous customers from Anderson would like to be heard and the travel to Columbia would create a hardship.

I oppose the rate increase filed by Utilities Services of South Carolina. I wish to inform you of my intent to present evidence at the hearing. I would also like to participate with the right to cross examine, requiring 10 minutes or less. I wish to be notified of the hearing in Anderson South Carolina and if there is a change in the hearing time in Columbia on December 13th.

Your consideration in this matter is greatly appreciated.

Sincerely,
